Attorney Lin Wood tweeted out this morning, “Events will unfold quickly over the next several days.”

There should be NO Electoral College vote in any state today.

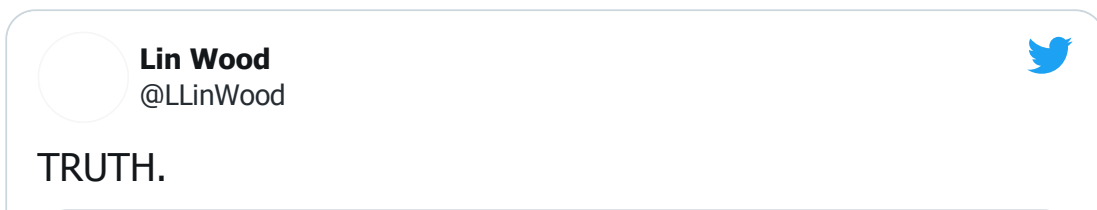

Fraud is rampant in all state elections. If U.S. Supreme Court does not have courage to act, I believe our President [@realDonaldTrump](#) has the courage. He loves America & freedom.

Stay tuned.

This week will be lit!

 **Donald J. Trump**  @realDonaldTrump

“Why did the Swing States stop counting in the middle of the night?”
@MariaBartiromo Because they waited to find out how many ballots they had to produce in order to steal the Rigged Election. They were so far behind that they needed time, & a fake “water main break”, to recover!

 **This claim about election fraud is disputed**
