

117TH CONGRESS
1ST SESSION

H. RES. 57

Impeaching Joseph R. Biden, President of the United States, for abuse of power by enabling bribery and other high crimes and misdemeanors.

IN THE HOUSE OF REPRESENTATIVES

JANUARY 21, 2021

Mrs. GREENE of Georgia submitted the following resolution; which was referred to the Committee on the Judiciary

RESOLUTION

Impeaching Joseph R. Biden, President of the United States, for abuse of power by enabling bribery and other high crimes and misdemeanors.

1 *Resolved*, That Joseph Robinette Biden, President of
2 the United States, is impeached for abuse of power by ena-
3 bling bribery and other high crimes and misdemeanors,
4 and that the following article of impeachment be exhibited
5 to the United States Senate:

6 Article of impeachment exhibited by the House of
7 Representatives of the United States of America in the
8 name of itself and of the people of the United States of
9 America, against Joseph Robinette Biden, President of the
10 United States of America, in maintenance and support of

1 its impeachment against him for abuse of power by ena-
2 bling bribery and other high crimes and misdemeanors.

3 ARTICLE I: ABUSE OF POWER

4 The Constitution provides that the House of Rep-
5 resentatives “shall have the sole Power of Impeachment”
6 and that the President “shall be removed from Office on
7 Impeachment for, and Conviction of, Treason, Bribery, or
8 other high Crimes and Misdemeanors”.

9 In his conduct as the former Vice President and cur-
10 rent President of the United States, in violation of his con-
11 stitutional oath faithfully to execute the offices of the Vice
12 Presidency and President of the United States, and, to
13 the best of his ability, preserve, protect, defend, the Con-
14 stitution of the United States, and in violation of his con-
15 stitutional duty to take care that the laws be faithfully
16 executed—Joseph Robinette Biden abused the power of
17 the Office of the Vice President, enabling bribery and
18 other high crimes and misdemeanors, by allowing his son
19 to influence the domestic policy of a foreign nation and
20 accept various benefits—including financial compensa-
21 tion—from foreign nationals in exchange for certain fa-
22 vors.

23 As Vice President, Joseph Biden was the senior
24 Obama Administration official overseeing anti-corruption
25 efforts in Ukraine. Hence, any illegal activity involving

1 corruption conducted by Hunter Biden within or in rela-
2 tion to Ukraine would fall under the purview of the Office
3 of Vice President Biden and the Obama State Depart-
4 ment’s anti-corruption efforts. In fact, many State De-
5 partment officials within the Obama Administration re-
6 peatedly registered reservations about Hunter Biden’s role
7 on the board of a corrupt company. Thus, any instances
8 of corruption on behalf of Hunter Biden via his role as
9 a board member of the Ukrainian-operated Burisma en-
10 ergy firm were either not investigated or covered up. The
11 evidence of widespread knowledge, corruption, and collu-
12 sion on behalf of the Biden family with foreign nationals
13 is clear and compelling.

14 Among other examples, it has been materially dem-
15 onstrated that:

16 (1) According to the U.S. Senate Committee on
17 Homeland Security and Governmental Affairs and
18 the U.S. Senate Committee on Finance, the Vice
19 President’s office and State Department officials
20 were aware but ignored concerns relating to Hunter
21 Biden’s role on the board of a Ukrainian-based nat-
22 ural gas company (hereafter, “Burisma”).

23 (2) According to the same sources, Hunter
24 Biden’s and his family’s financial transactions with

1 Ukrainian, Russian, Kazakh, and Chinese nationals
2 raise criminal concerns and extortion threats.

3 (3) In early 2015 the former Acting Deputy
4 Chief of Mission at the U.S. Embassy in Kyiv,
5 Ukraine, George Kent, raised concerns to officials in
6 Vice President Joe Biden's office about the percep-
7 tion of a conflict of interest with respect to Hunter
8 Biden's role on Burisma's board. Kent's concerns
9 went unaddressed, and in September 2016, he em-
10 phasized in an email to his colleagues, "Further-
11 more, the presence of Hunter Biden on the Burisma
12 board was very awkward for all U.S. officials push-
13 ing an anticorruption agenda in Ukraine."

14 (4) In October 2015, senior State Department
15 official Amos Hochstein raised concerns with Vice
16 President Biden, as well as with Hunter Biden, that
17 Hunter Biden's position on Burisma's board enabled
18 Russian disinformation efforts and risked under-
19 mining U.S. policy in Ukraine. Vice President Biden
20 did not resolve this conflict of interest. Instead, he
21 enabled it.

22 (5) In addition to the over \$4 million paid by
23 Burisma for Hunter Biden's board membership,
24 Hunter Biden, and his family received millions of
25 dollars from foreign nationals with questionable

1 backgrounds. Specifically, the ongoing FBI inves-
2 tigation into Hunter Biden’s laptop revealed that
3 Hunter received a 2.8 carat diamond gift from a
4 high-ranking Chinese official in 2017. Hunter Biden
5 told the New Yorker Magazine that he “felt uncom-
6 fortable receiving the diamond and gave it to other
7 associates”.

8 (6) Hunter Biden had business associations
9 with Ye Jianming, founder of the CEFC China En-
10 ergy Company, Ltd., Gongwen Dong, and other Chi-
11 nese nationals linked to the Communist government
12 and the People’s Liberation Army. Those associa-
13 tions resulted in millions of dollars in cash flow.
14 There exists a vast web of corporate connections and
15 financial transactions between and among the Biden
16 family and Chinese nationals.

17 (7) Hunter Biden paid nonresident women who
18 were nationals of Russia or other Eastern European
19 countries and who appear to be linked to an “East-
20 ern European prostitution or human trafficking
21 ring”.

22 (8) In 2016, Ukraine’s top anti-corruption pros-
23 ecutor, Viktor Shokin, had an active and ongoing in-
24 vestigation into Burisma and its owner, Mykola
25 Zlochevsky. At the time, Hunter Biden continued to

1 serve on Burisma’s board of directors. According to
2 news reports, then Vice-President Biden “threatened
3 to withhold \$1 billion in United States loan guaran-
4 tees if Ukraine’s leaders did not dismiss [Shokin]”.
5 After that, Ukraine’s Parliament fired Shokin.

6 (9) Hunter Biden received millions of dollars
7 from foreign sources as a result of business relation-
8 ships that he built during the period when his father
9 was Vice President of the United States and after.
10 The financial transactions which Hunter engaged in
11 illustrate serious counterintelligence and extortion
12 concerns relating to Hunter Biden and his family.

13 (10) Hunter Biden’s work with Chinese nation-
14 als connected to the Communist regime illustrate the
15 deep financial connections that accelerated while his
16 father was Vice President and continued after he
17 left office.

18 (11) On June 23, 2011, Sean Conlon, a busi-
19 ness associate of Hunter Biden, suggested that a
20 \$10 billion deal could be struck in exchange for cer-
21 tain persons meeting Vice President Biden. This
22 shows deliberate “pay-for-play” and “quid-pro-quo”.
23 The email, in full, to Robert Biden, from Sean
24 Conlon, is as follows:

1 (A) “So we have engagement letter if they
2 get other 10 bonds they have a face value of
3 10b. While it is far fetched Devon [Archer] said
4 he talked to his professor and these get traded.
5 We get 10% in fees. We need to get these guys
6 to an event or something where they get to just
7 formally meet your Dad. For follow on they can
8 talk to Chief of Staff. Let me know how soon
9 we can do that. V brief. If Nagi get that done
10 we get more bonds to move. Regards your hard
11 working partner in Positano! Sean” (emphasis
12 added).

13 (12) Emails between Hunter Biden and his
14 cousin reveal that the President of Hunter’s Chinese
15 Communist Party-linked firm, Eric Schwerin, re-
16 peatedly asked Hunter for an appointment to the
17 Commission for the Preservation of America’s Herit-
18 age Abroad—a position he ultimately received. The
19 email from Hunter to his cousin, Missy, regarding
20 the request for the appointment to the Commission
21 is as follows:

22 (A) “Eric asked for one of these [an ap-
23 pointment] the day after the election in 2008.
24 You know better than me what are real and in-
25 teresting appointments. Let’s go through the

1 list with Steve and see what makes sense. I
2 don't know how much 2016 and nepotism plays
3 into it.".

4 In all of this, President Biden gravely endangered the
5 security of the United States and its institutions of gov-
6 ernment. Through blatant nepotism, he enabled his son
7 to influence foreign policy and financially benefit as a re-
8 sult of his role as Vice President. He supported his son
9 engaging in collusion with Chinese Communist Party-
10 linked officials. He allowed his son to trade appointments
11 with his father and other high-ranking administration offi-
12 cials in exchange for financial compensation. He permitted
13 his son to take money from Russian oligarchs, including
14 Elena Baturina, the wife of the former mayor of Moscow.

15 In so doing, Joseph R. Biden threatened the integrity
16 of the democratic system, interfered with the peaceful
17 transition of power, and imperiled a coordinate branch of
18 government. He thereby betrayed his trust as former Vice
19 President and current President, to the manifest injury
20 of the people of the United States.

21 Wherefore President Biden, by such conduct, has
22 demonstrated that he will remain a threat to national se-
23 curity, democracy, and the Constitution if allowed to re-
24 main in office, and has acted in a manner grossly incom-
25 patible with self-governance and the rule of law. President

1 Biden thus warrants impeachment and trial, removal from
2 office, and disqualification to hold and enjoy any office
3 of honor, trust, or profit under the United States.
